SPECIAL EVENTS AND FUND RAISING

It's no surprise that how long people stay at your event often affects its success or how much they spend. The toilet facilities, or lack of them, can make a difference to how long they stay. Whether for fun or profit, proper planning is the key to successful special events.

HOW MANY TOILETS DO I NEED?

The adjacent chart provides a guideline for estimating the number of Port-A-Loo portable toilets that will be required to help make your event a success. Weather conditions and the amount of food and beverages consumed can increase usage by 30% to 40%. Our experienced event planners can help you decide the optimum number of Port-A-Loo portable toilets you require.
